Fall-Calving Females

GENETIC OPPORTUNITY^{XXVII}

The source of cutting-edge genetics and show ring champions!

Sale Location

Grubbs Angus Farm, located two miles southwest of Hillsboro, Indiana.
See map on back cover.

Sale Day Phones

(765) 798-6240. Dale Grubbs cell (765) 585-1326.
Les Craft cell (219) 716-6624. Matt Sims cell (405) 641-6081.

Motel Accommodations

Comfort Inn (765) 361-0665; Holiday Inn (765) 323-4575;
Ramada Inn (765) 364-9999; Super 8 (765) 361-8800
All are located at the junction of US 231 and I-74, Crawfordsville, Ind.

Air Transportation

Indianapolis International Airport is located approximately 65 miles southeast of the farm. All major airlines fly into Indianapolis. Rental cars are available, or we will be happy to meet your plane with advance notice.

Association Representatives

Cathy Watkins, Director, American Angus Assn.

Indiana Angus Association: Jay Davis, President; Karl Gillette, First Vice President; John Dawson, Second Vice President; Judy Brown, Secretary; Dave Smith, Treasurer; Chris Wickard, Immediate Past President

Sale Staff

Eddie C. Sims, Auctioneer (580) 492-4590; cell (580) 595-1626
Jerry Cassidy, Angus Journal (816) 390-6603
Delvin Heldermon, Heldermon Enterprises (405) 205-1116
Bruce Bradley, Ring Service (417) 859-6624

Inspection of Cattle

The cattle are available for viewing at their farms prior to September 8. After that Thursday, cattle may be viewed at Grubbs Angus Farm.

Sale Terms & Conditions

Terms of the sale are cash or check, payable during or immediately following the sale and before cattle will be released. Cattle will not be transferred until paid for in full.

Photography and sale catalog prepared by MCS Auction and Specialized Marketing (405) 641-6081
Sale advertising and catalog produced by Southwest TypeStyles (405) 381-3591 

Herd Health

Proper health certificates for immediate interstate shipment will accompany all sale lots. All cattle have been tested as a Johne's-free herd.

Guarantee

Cattle will sell under Suggested Terms and Conditions of the American Angus Association, which can be viewed at: www.angus.org.

Registration Certificates

Each animal will be transferred to the buyer at the seller's expense. Buyers must be sure to give the clerk the proper name and address for making transfers. Calves born before the sale are to be registered by the seller; proper breeding statements will be signed for the buyer to use in registering calves born after the sale.

Trucking

We will be happy to assist in coordinating delivery of your purchases. Arrangements regarding delivery are between the hauler and the buyer. We recommend that insurance be obtained on purchases.

Mail or Phone Bids

If you would like to place a bid on any lot but will not be able to attend the sale, please contact the owners, the sale manager or any member of the sale staff.

Livestock Insurance

Insurance for your purchases will be available sale day. Inquire at the clerk's desk.

Announcements

All announcements sale day from the auction block will take precedence over statements in the catalog and/or advertising. We reserve the right to withdraw any sale lot not meeting our specifications prior to sale time.

Note

All persons who attend the sale do so at their own risk. Neither the owners nor the sale manager assume liability, legal or otherwise, for accidents or loss of property. As the sale manager, MCS Auction is only an agent for the seller and has no responsibilities other than those involved in conducting the sale.

EPDs were current as of 8/15/2011, as reported by the American Angus Association.

genetic opportunity xxvii ~ september 10, 2011

Dear Fellow Angus Breeders:

Welcome to the 27th Edition of the Genetic Opportunity Sale! For us, this sale is the culmination of a full year's worth of planning. Our philosophy over the past 27 years has not changed. We are proud to consistently offer top, cutting-edge genetics to progressive livestock producers. We agreed some 27 years ago that only cattle that we would love to retain in our own programs would be offered to you in this sale, and we stand by that commitment today.

We truly look forward to the opportunity to visit with our past customers and also welcome new buyers every year. We are proud that many champions have gone through our sale ring, and many champions have been produced by genetics purchased in this sale. We feel that the offering in this year's event is the strongest and deepest of all the years in business.

We encourage you to visit our farms prior to the sale, and we sincerely hope that you, our Angus friends, can be with us this year! Please join us Friday, September 9, the evening before the sale for fellowship, and of course sale day, Saturday, September 10, at noon.

Thank you for your continued support!

Sale
Manager

Dear Angus Friends and Fellow Cattlemen:

Welcome to the 27th Annual Genetic Opportunity Sale! We are excited to bring you this outstanding offering in 2011. Grubbs Angus Farm and Les Craft Angus along with their sale guests, MCM Farms and Stewart Select Angus, have again assembled a set that illustrates the result of their combined experience in the purebred seedstock industry, spanning over seventy years and three generations... and their passion for the Angus female. They consistently bring forth their very best, and the care that was taken in the selection of this year's offering is apparent in the group of cattle they have pooled for your appraisal.

The success that Genetic Opportunity customers have had with past investments is testament to the depth and quality present in past events, and this year is no exception. These cattle combine performance with excellent phenotype to become competitors at any level in our industry. The bottom line is: **Genetic Opportunity cattle appreciate in value.** The genetics and EPDs represented on both sides of these pedigrees are second to none. The Angus breed's most popular sires are represented here as well as an exciting group of calves by the resident herd sires for each firm. Excellent show and donor prospects from power cow families and sired by breed-leading bulls will sell. Past Junior customers have claimed championship honors in show rings across the region and at every level of competition. Whether you select a proven female or an open prospect, you cannot go wrong. You will find an excellent set of replacement females—either sold alone or on the side of their dams. If you are searching for a young donor, don't overlook the select set of bred heifers.

I am excited to again be working with this progressive group of Angus breeders in the marketing of their cattle. Evaluate your own situation and breeding goals, and on September 10 take advantage of the knowledge and cutting-edge efforts of these breeders and their programs. Please join us Friday evening for food and refreshments while you preview the cattle. Feel free to contact me or any of the owners with your questions or comments.

Sincerely,

Matt Sims

FRIDAY, SEPTEMBER 9

Cattle on display noon to 6 p.m.

Food and refreshments at 5 p.m.

SATURDAY, SEPTEMBER 10

Complimentary lunch served at 11 a.m.

Sale starts at 12 noon

The Cheyenne Cow Family

The Cheyenne cow family is known for consistently producing champions, and this female has all of the pieces necessary to continue that trend, as evidenced by the Adaptor heifer calf at her side. A flush sister to 881 sold in 2009 to MCM Farms for \$5,000. The dam of 881 is featured as Lot 1 in this sale. Her grandam is the proven donor and 2004 fifth place ROV Dam of the Year, Magic Meadow Cheyenne 1397.

• Bred A.I. 5/12/2011 to SAV Iron Mountain 8066. Safe in calf.

This Raven daughter is right out of the heart of the MCM herd. Her dam, Craft Cheyenne 1397-581, is a foundation donor for MCM Farms and was Reserve Junior Champion Division 2 Heifer at the 2006 National Junior Angus Show, Reserve Grand Champion Angus Heifer at the 2006 Indiana State Fair, Reserve Grand Champion Owned Pair at the 2007 National Junior Angus Show and Grand Champion Pair and Supreme Champion at the 2007 Indiana Preview Junior Show. A flush on her dam sold in the 2009 Genetic Opportunity Sale to Champion Hill and resulted in Champion Hill Cheyenne 7796, the \$22,500 half interest feature of the the 2011 Champion Hill Sale that was named Division Champion at both the 2011 Atlantic National and 2011 Angus Futurity and Reserve Division Champion at the 2011 National Junior Angus Show. If the heifer calf she raised in her first attempt is any indication, great things lie ahead for this young Cheyenne female.

- Bred A.I. 6/9/2011 to **VAR Rocky 80029** (sexed heifer semen).
Pasture exposed 6/22/2011 to 9/6/2011 to MCM Fast Rack 082.

124 is a special individual both, phenotypically and genetically. She combines her power and flawless profile with a donor dam who posts progeny ratios of WW 4@107, YW 3@117, %IMF 9@100 and RE 9@101 while ranking in the top 25% of current dams for Milk and \$F. 293 offers a uniquely rare pedigree and stamps her phenotype in her progeny, as is evident in this January prospect. A maternal sister to Lot 10 exhibited by Catherine Knebel, Winamac, Ind., Craft Merle of 26-M293-R08, was Early Junior Yearling Champion, 2006 Indiana State Fair 4-H Show; Class 35 second place, 2006 National Junior Angus Show; Grand Champion, 2006 Northwest Indiana Preview Show; Champion Angus and Supreme Champion Female, 2006 Pulaski County Fair.

Dale is excited about this daughter of the popular "Totally Tuned," and for good reason. Countess 51 possesses that rare combination of look and balance with added bone and muscle. The Countess genetics have consistently been some of the most proven and predictable lines in the Grubbs operation, and this female has the same visual and performance capabilities. The Pathfinder great-grandam of Lot 15 serves as a donor in the LaGrand program in South Dakota. Countess 252 has been a top-indexing Pathfinder Dam with an impressive progeny weaning ratio of 116 on three natural calves combined with a progeny %IMF ratio of 106 and a progeny ultrasound ribeye ratio of 101 on 45 head. A maternal sister sells as Lot 62.

This May Lookout daughter is among Dale's favorites. Her dam is from the same branch of the Rito Lady family as the heifer that was selected out of the 2010 Genetic Opportunity Sale that later sold in the 2011 Denim and Diamonds Sale for \$26,000 to Rocklin Farms in Illinois. This heifer has the power and presence to make a great show heifer and the performance to be a donor. Her dam has been a productive matron in the Grubbs herd with a nursing ratio of 6@106. The Rito Lady family was made famous in the Hinman Angus herd in Montana.

This "Banjo" daughter is among the most impressive females in the offering. The dam of this proven donor remains a productive member of the Grubbs donor herd at 14 years of age and is a direct daughter of the Grubbs foundation donor DG Miss Rowena 74, the grandam of WK Online and WK Legend. The Rowena cow family has been one of the most consistent in the Grubbs herd, and this female maintains that tradition—as is evident in her natural daughter by Birthstone at side.

Spring Heifer calf pair

Lot 35 Lady Agnes 781 stems from the ever-popular Lady Agnes 913, a many-time champion and past ROV Senior Yearling Show Heifer of the Year. The production capacity of this female is evident in the “tank” of a heifer calf she has at her side.

This powerful young female’s dam is a maternal sister to Lady Agnes 5001, who was selected as the 2006 Reserve Grand Champion Owned Female at the Indiana State Preview Show and the 2006 Reserve Early Spring Heifer Calf Champion at the Atlantic National and went on to produce the second top-selling female in the 2008 Patton and Friends Sale, Patton Lady Agnes 846. Another maternal sister to the dam of this female, Lady Agnes 404, produced Lady Agnes 625, who was selected as the 2008 Grand Champion Cow/Calf Pair at the 2008 Indiana State Preview Show. Yet another maternal sister to the dam of this featured Lot 35 was the \$14,000-valued Lady Agnes 332, along with a maternal sister who was selected as the 2002 Grand Champion Cow/Calf Pair with the featured maternal brother, Roth CAF United 3481, who earned the ROV Show Bull of the Year award.

+2.4	+45	+78	+17			+24.38	+19.38		

348 is a maternal sister to Lot 15. The Countess genetics have consistently been some of the most proven and predictable lines in the Grubbs operation, and this female has the same visual and performance capabilities. The Pathfinder great-grandam serves as a donor in the LaGrand program. We are retaining 348's 2011 bull calf.

- Bred A.I. 4/2/2011 to PVF Windfall SCC 9005. Safe in calf.

63
