# Welcome!

Fellow Cattlemen & Friends:

WELCOME TO BLACKJACK FARMS, LLC AND OUR
**31st ANNUAL PRODUCTION SALE**
HELD HERE AT THE FARM!

Again in this year's offering, we are pleased to offer you genetics that have performed and maintained well in our herds. We feel confident that they will do the very same for you as well.

We are welcoming back again for 2022 consignors Keith and Amber McFerran as well as our good, longtime friends John and Gaye Pfeiffer, who have been selling cattle with us for over 18 years. Together we have put together an offering of Angus, Simmental and SimAngus cattle that will enhance your herd and provide whatever you may be looking for.

We appreciate you taking the time to read through the sale book and encourage you to join us Saturday, October 8th either at Blackjack Farms or on LiveAuctions.TV to see the offerings from each operation's spring pairs, fall pairs and heavy breds, spring bred heifers and a couple of spring ET open heifers.

Feel free to contact any of us with questions, or stop in and look at the cattle before sale day. Come early sale day to walk through the cattle and, of course, have lunch on us! As always, you are welcome to stop by any time.
